PERMIT AUTHORIZATION

I hereby affirm that the structure I approve below is in complete conformity with the National Fire Protection Association, clearance from mobile homes to other structures. Mobile homes shall not be located closer than 10 feet from any other mobile home or permanent building within or adjacent to the mobile home park. A mobile home accessory building or structure shall not be closer than 5 feet from any adjacent mobile home or mobile home accessory building or structure.

EXCEPTION: An awning or carport may be erected on a lot line provided the awning or carport is constructed of material which does not support combustion and is not less than 3 feet from a mobile home or mobile home accessory building or structure on an adjacent lot.

IMPORTANT NOTICE: This document, although required to obtain a permit from the city of Pembroke Park, only meant as a guide to support people who request it. This document commits only the applicant and the contractor. It is not the responsibility of Dale Village, Inc. or its designated representative and would not be challenged at any time.
